## CLASSES

- Classes will start in October 2019.
- We expect to publish the Course Catalog for the Fall Term on September 1<sup>st</sup> 2019. Registration for the Fall Term classes will start shortly after the catalog becomes available
- There will be no class fees, however fees may be charged for class materials when appropriate.
- We will host classes in a classroom on the Crossville Campus of the Roane State Community College unless there is a good reason to host it elsewhere.
- A Curriculum Committee, Chaired by Judy Wade, is responsible for selecting teachers/speakers and the topics of classes/talks. The Curriculum Committee hopes to have as many as 20 classes in the Fall Term.

## VOLUNTEERS

- We need volunteer teachers/speakers.
- We need volunteers to serve on the Curriculum (sub)Committee(s).
- We will need a volunteer Class Assistant to attend every class. The volunteer will check attendance, collect any fees, check audio visual equipment and generally coordinate everything with the teacher.
- We will need facilitators to lead discussions after video classes.

## MEMBERSHIP

- Starting in 2020 classes will only be open to members of the Center for Lifelong Learning. Membership fees will be for one year with reduced fees for just one and two terms.
- The Center will operate on a calendar year divided into three terms: Spring (Feb 1<sup>st</sup>), Summer (June 1<sup>st</sup>) and Fall (Oct 1<sup>st</sup>). Each term will be 8 to 12 weeks long depending on the number of classes offered.
